Second project meeting

Amsterdam, 30 September - 1st October 2019

Venue: Institute for Environmental Studies at the Vrije Universiteit Amsterdam

Contents of the meeting from DoA

“At the **second project meeting (Month 5)** input from Tasks 1.1, 1.5, 1.6 and 2.1 will feed into the co-construction of improved solutions (T1.2). Also, input to the data collection protocol for WP2 will be shared and discussed, and data collection in tasks 2.2 and 2.3 launched. After the meeting, the data collection in tasks 2.2 and 2.3 will run in parallel to the development of an initial set of consistent ideas about improved solutions in task 1.2, both to be presented and discussed at the multi-actor workshops at the time of the third project meeting.”

Based on the above, the meeting has the following objectives:

- Discuss and validate Wp2 protocol for data collection
- Discuss and choose/validate case studies
- Plan future activities in WP2
- Discuss connection with WP1, 3, 4, 5 and 6
